A Day's Dive into Vellum

Carol Woodin

Saturday, October 15, 2016

9:00 am – 4:00 pm

(full-day classes include a one-hour lunch break)

Pittsburgh Athletic Association - Library

Using small autumn subjects, we'll get our feet wet with the techniques needed to paint beautiful translucent watercolors on vellum. Using dry-brush layering, we'll work on capturing surface color as well as light and shadow, learning how to depict gloss, shaded form, and surface textures.

Supply List

- Instructor encourages artists to bring vellum to class. A small piece is sufficient, about 8" x 10".
If you cannot bring vellum, instructor will be bringing a few cut pieces to class for students to purchase. Pergamena will be set up at the conference and selling full skins and cut pieces. If you have a small portable light you can bring, this will help.

Two vellum sources are:

Pergamena (US vellum)
11 Factory Street
Montgomery, NY 12549
845-649-5806
www.pergamena.net
